St. Mary's Catholic Primary School Ethos

Every child is important in this School! No student is *more* important than anyone else. Our goal is to achieve the best education we can. To make this happen, we have to obey certain rules/values. This means you will have to behave in a certain way, so that everyone gets the best education possible. These are the basic rules/values that everyone must follow. Failure to follow these rules/values will result in a sanction. Success in following these rules will lead to everyone's success.

Our School Values

- I'm caring
- I'm fair
- I'm respectful
- I'm responsible
- I'm trustworthy

I'm Caring	I'm Fair	I'm Respectful	I'm Responsible	I'm Trustworthy
- I am kind	- I share	- I am polite	- I help my family	- I am honest
- I give without thinking about what I get in return	- I listen to everyone's opinion	- I take care of myself and those around me	- I take care of others' things	- I give anything I find into the correct authorities
- I watch out for others	- I treat all people equally	- I value everyone's view	- I take care of my things	- I am a good friend
- I help those in need	- I include everyone	- I listen	- I am dependable	- I do what is right
- I think about others feelings	- I work to change things that are unfair	- I speak to others as I wish to be spoken to	- I am a positive leader	- I am dependable

Throughout the school year we focus on these values and all members of the school community share these values.

During assemblies and day to day life in school we reinforce the values.

Each half term we focus in detail on one of the values and each week we think about how we can show these values.

All the values are very important to the school community helping us to live the school mission statement in our daily lives.

Each class will have their own rules as well as following our school values. Everyone in the school will sign an agreement to follow the rules and values.

St. Mary's Catholic Primary School, believe that all members of our school community should be able to learn and achieve their full potential in a safe, secure and orderly environment. We value the strong relationships that exist throughout the school, which leads to the mutual respect that encourages good behaviour. We have high expectations of everyone and we will actively promote equality of value whether race, gender, age, sexuality, religion or disability. The behaviour policy is based on our belief in, and respect for, the value and contribution of all members of our community and their right to succeed. We seek to eliminate all forms of discrimination, harassment and bullying.

The Behaviour policy will be applied with consistency and fairness, with regard to each individual situation. The emphasis will be on encouraging positive behaviour through high expectations; a focus on learning; and praise and rewards. It is recognised however, that on occasions sanctions are necessary to demonstrate that misbehaviour is not acceptable. Sanctions will enable the pupil to reflect on, and learn from, their behaviour.
