Dear Parents / Carers,

Nursery Induction Autumn Term 2020

We find ourselves in an unprecedented set of circumstances and anticipate the possible anxiety your family may currently feel about your child starting Lower Early Years (Nursery) at St. Mary's. Consequently, we are taking this opportunity to assure you that we are, and we will be doing our best for your child. Attached is also an induction PowerPoint with pictures of their class and the school and information for parents.

We fully understand how worrying this might feel but the most important thing is that you and your child are well and happy. This is a difficult time due to COVID 19 and some children may find the changes difficult to cope with or settle back into the school routine. If this happens we will look into shortening their school days to help them settle.

Nursery children will start school on Monday 7th of September as a play day. **Not all children will be starting on the same day so please look at the individual email you would have received from the school office.** Children should be dropped off at the Early Years entrance through Rockingham close. Unfortunately we will not be letting any parents into the classroom following government guidance.
