

St Mary's Gymnastics Lessons

We are delighted to be back offering a term of gymnastics lessons to the school from September – December 2021. The classes will be offered to boys and girls for Upper Early Years and Years 1-6. Children will need to wear their P.E kits for the sessions and all long hair must be tied back. The lessons will be taken by fully qualified gymnastics teachers. Please note that we do not tolerate any inappropriate or disruptive behaviour in gymnastics, and if so this could lead to your child to lose their place at the club. Please see below for dates, times and prices.

Please ensure you take into consideration the change of year group next term to ensure your child attends the correct course.

If your child will be attending a before school course, please ensure your child comes to school in their P.E kit with their uniform in a bag to change into after their session. If your child is attending a after school course, please ensure your child brings/has a P.E kit in school to change into.

COVID-19:

Along with children training in their training bubbles each week, we will also be asking children to wash/sanitise their hands before and after their session. All equipment used will be cleaned before, after and during the session, and children will be asked to put their belongings into their bags which will be placed in their bubbles designated area. Please include in the allergies section if your child is allergic to hand sanitiser.
