Morning Drop-off

All pupils (from Reception to Yr6) arrive from 8.40am via our Rockingham Road entrance.

This gate is locked at 8.45am each morning.

Collection Times

All classes (Reception to Year 6) finish school at 3.15pm.

Afternoon Nursery finishes at 3.30pm.

P.E. Lessons

Although each class is timetabled for PE lessons, this often changes due to wet weather and/or extra sports coach sessions. All pupils (Years 1 to 6) should bring their P.E kits into school **every Monday** and then take them home every Friday. Thank you.

Pupil Bags in School

We ask that pupils only bring in book bags (and draw string P.E bags for their P.E uniform). Each child only has a single peg for these bags (in most cases in the main corridor) and we do not have the space for large rucksacks or other similar bags. Thank you in advance.

Dear Parent/Carer,

On Monday, pupils talked about the importance of Remembrance Day, they watched video clips from BBC Newsround and they took part in a 2-minute silence. You might find some of these resources, on the CBBC website, useful if you would like to talk to your child about the work they covered:

<https://www.bbc.co.uk/newsround/15492752>

The following day, our teachers attended a Twilight training workshop looking at challenging pupils in Maths through reasoning activities. This session had a focus on fractions, decimals and percentages and was offered as a part of our work with the London Central and West Maths Hub.

On Wednesday, we carried out a Learning Walk (alongside a representative from our Local Authority Inclusion Team) with a focus on developing pupil independence through the use of classroom adaptations, scaffolding and use of prompts. We have planned follow-up training based on our joint observations.

Yesterday, our pupil Eco Council met to set their action plan for this year. This includes promoting sustainable travel and helping to reduce our school's carbon footprint.

Today, our Year 4 pupils visited the Verulamium Museum (in St. Albans) as a part of their History topic exploring Roman Britain and the impact of their invasion and settlement. A group of pupils, from KS2, also represented our school at this year's inclusive Boccia competition at Pield Heath School. They worked brilliantly as a team and were awarded 2nd place for the group events.

It's been a busy week!

Year 5 Swimming

Year 5 pupils will start their swimming lessons on Monday for a one-week course. They will leave school each morning, by coach, and return to school in time for their lunch. All pupils require their swimming shorts/costume, a towel and a swimming hat in a bag to take with them.

Yr3 Freshwater

On Monday, Yr3 will be visited by the Freshwater Theatre Company. They will take part in a workshop, linked to their History topic, exploring Prehistory and the Stone, Bronze and Iron Ages in Britain. You can find further details about their workshop here:

Attendance

We are sure that like us, you as parents and carers, realise the importance of attendance and punctuality. At St. Mary's, we continue to work hard to try to raise attendance levels and to reduce instances of lateness. There is much evidence to show that good attendance plays a vital role in helping your child to achieve their potential. We also know that poor attendance can lead to other problems for children. How can you help your child attend school regularly?

- Talk to your child about school. Make sure your child understands why school is important;
- Get everything ready for school the night before;
- Arrange appointments before or after school or during the school holidays;
- Take holidays during school holidays and not during term time;
- Set your alarm and your child's alarm clock- see who can beat the clock!
- Only grant days at home for genuine illness (you will know!)
 - If your child is slightly under the weather, still send them into school- children often start feeling better as the day goes on and they get busy, and if the school is worried, we will call you.
