

ST MARY'S CATHOLIC PRIMARY SCHOOL

PLEASE COMPLETE AND RETURN TO THE SCHOOL OFFICE:

YOUR CHILD'S NAME:

YOUR CHILD'S CLASS:

FIRST LANGUAGE SPOKEN

The School Census 2009 asks schools to make sure that a child's 'first language' is recorded, to provide an accurate picture of linguistic diversity in schools and also to provide information about an important aspect of each individual child, many of whom are bilingual.

Please let us know if your child was brought up to speak a language other than English, and continues to be exposed to this language at home or in the community. If your child uses another language as well as English, we would like to know which language this is.

Some children no longer use their first language, and this means either parents or the child will have to decide which language you prefer to have recorded.
